

Minnesota Statutes, section 120B.31, subdivision 4a, requires the commissioner to create and publish a form for parents and guardians to complete if they refuse to have their student participate in state-required standardized assessments. Your student's district may require additional information. School districts must post this three-page form on the district website and include it in district student handbooks.

Parent/Guardian Refusal for Student Participation in Statewide Assessments

To opt out of statewide assessments, the parent/guardian must complete this form and return it to the student's school.

*To best support school district planning, please submit this form as soon as possible. For students who enroll after a statewide testing window begins, please submit the form within two weeks of enrollment. A new refusal form is required **each year** parents/guardians wish to opt the student out of statewide assessments.*

I understand that by signing this form, my school and I may lose valuable information about how well my student is progressing academically. As a result, my student will not receive an individual score. Refusing to participate in statewide assessments may impact the school, district, and state's efforts to equitably distribute resources and support student learning; for the purpose of school and district accountability calculations, my student will not be considered "proficient."

If my student is in high school, I understand that by signing this form my student will not have an MCA score that could potentially save time and money by not having to take remedial, non-credit courses at a Minnesota State college or university.
